## SM325-24W

### Wheeled Mini Loader

A Combination of Performance, Pressure and Durability

The SM375-24W is the ideal platform for worksites, owner-operators and DIY'ers. The Wacker Neuson all-wheel drive SM375-24W made by Dingo Australia is perfect for all terrains, moves the weight down to the track where you need it. The lower center of gravity provides the traction you need and more pull and push power when digging. With the optional narrow wheel and hub set you can quickly change your set up to narrow access whenever you need.

### Highlights

- 2 pump hydraulic system
