

SM440-31W

Wheeled Mini Loader

A high degree of reliability

The SM440-31W is the ideal platform for worksites, owner-operators and DIY'ers. The Wacker Neuson all-wheel drive SM440-31W made by Dingo Australia is perfect for all terrains, moves the weight down to the track where you need it. The lower center of gravity provides the traction you need and more pull and push power when digging. With the optional narrow wheel and hub set you can quickly change your set up to narrow access whenever you need.

Highlights

- 3 pump hydraulic system
- Flow Divider
- All wheel drive system
- Low centre of gravity
- Wacker Neuson 5 years / 5,000 warranty

Technical Data

Hydraulic

flow rate	73
tank capacity	76 l
Auxiliary relief pressure	3.400 psi

Mechanical - Output Details

Travel speed	0 - 9.5 km/h
--------------	--------------

Mechanical Details

Length with Bucket	1.600 mm
